PETRO-PASS FUELLING INSTRUCTIONS

Follow instructions on display screen. Be sure that the pump you wish to use is not being used.

1. Insert and remove card in one smooth motion in the appropriate card slot. You should hear a beep to indicate valid reading of card.
2. Enter security number and remember to protect your PIN. Press “ENTER”.
3. Enter odometer reading (optional). Press “ENTER”.
4. Enter miscellaneous number (optional). Press “ENTER”.
5. Enter desired pump number. Press “ENTER”.
6. Use pump selected, within one minute, to begin filling your vehicle.
DO NOT LEAVE PUMP UNATTENDED.
7. After fuelling, please turn pump to off position to stop transaction.
8. To obtain a receipt, re-insert card into any card reader on site and remove. Press “YES” to begin receipt printing.

If you have any questions or problems, please contact the Petro-Pass operator, or call the Petro-Canada Customer Service Line at 1-800-668-0220.

BVD CARD HOLDERS - FUELLING INSTRUCTIONS

Follow instructions on display screen. Be sure that the pump you wish to use is not being used.

1. Insert and remove card in one smooth motion in the appropriate card slot. You should hear a beep to indicate valid reading of card.
2. Press 0 or N if you are fuelling a TRUCK/TRACTOR OR Press 1 or Y for REEFER. Press “ENTER”.
3. Enter Unit # (Tractor or Trucker #). Press “ENTER”
4. Enter desired pump number. Press “ENTER”.
5. Enter odometer reading (mandatory). Press “ENTER”.
6. Enter driver number/ID (pin #). Press “ENTER”.
7. Enter trailer number (mandatory). Press “ENTER”.
8. Enter trip number (mandatory). Press “ENTER”.
9. Use pump selected, within one minute, to begin filling your vehicle.
DO NOT LEAVE PUMP UNATTENDED.
10. After fuelling, please turn pump to off position to stop transaction.
11. To obtain a receipt, re-insert card into any card reader on site and remove. Press “YES” to begin receipt printing.

If you have any questions or problems, please contact the Petro-Pass operator, or call the Petro-Canada Customer Service Line at: 1-800-668-0220.

SAFETY MEASURES

PROPER TRAINING FOR THE SAFE AND CORRECT USE OF THE PETRO-PASS FACILITY AND EQUIPMENT IS THE RESPONSIBILITY OF EACH CARDHOLDER.

TRAINING IS AVAILABLE FROM ANY PETRO-PASS OPERATOR.

- NO SMOKING.
- Turn off engine and all auxiliaries whether refuelling, waiting or parking.
- DO NOT LEAVE VEHICLE UNATTENDED WHILE FUELLING.
- Fill only CSA or ULC approved containers.
- **ANY SPILL MUST BE REPORTED TO THE SITE OPERATOR. DURING UNATTENDED HOURS, CALL THE EMERGENCY NUMBER POSTED AT THE LOCATION.**
- In order to reduce pollution and minimize noise which affects our neighbours, please do not leave your truck idling when parked.

EMERGENCY PROCEDURES

IN THE EVENT OF A SPILL: DO NOT TAKE PERSONAL RISKS.

- Stop product flow/press emergency shut-off switch.
- Do not start or move your vehicle
- Report spill by calling the emergency number posted.
- Use absorbent material to contain spill.

IN THE EVENT OF FIRE: DO NOT TAKE PERSONAL RISKS.

- **Leave the area immediately.**
- Stop product flow/press emergency shut-off switch.
- Use emergency number posted to report the fire.

The following emergency equipment has been installed at each site, and signs have been posted to indicate where to find this equipment. Please note the location of this equipment before you begin fuelling.

- **FIRE EXTINGUISHERS.** Many fire extinguishers are available on site, always familiarize yourself with the one nearest you.
- **EMERGENCY SHUT-OFF BUTTON.** Location of the shut-off button is usually on the building and identified with a sign. Some sites also have a second shut-off button located in the vicinity of the fuel island. This button will shut down the entire system.
- **PAY TELEPHONE.** Available at most sites. If not, look for sign directing you to the nearest emergency telephone. No coins are needed to place emergency calls to the operator.
- **EMERGENCY PHONE NUMBERS.** Clearly posted and identified at each site. Call these numbers if you need assistance or to report any problems.

SECURITY

- Always keep your PIN confidential.
- Do not write your PIN on your card.
- Do not keep a written record of your PIN in your wallet or truck.
- **Under the terms of the SuperPass Agreement, cardholders are responsible for all purchases made on their card.**

PETRO-PASS PARKING GUIDELINES

- Parking is for Petro-Pass customers ONLY (proof of purchase may be requested).
- Park only in designated areas (varies by site).
- Do not exceed posted time limits for parking (if applicable).
- Do not leave vehicles unattended.
- No dropping trailers.
- Failure to comply with the Petro-Pass Parking Policy may result in the vehicle being ticketed and/or towed at the owner's expense.

PETRO-PASS SITES WITH DIESEL EXHAUST FLUID

- Bulk Diesel Exhaust Fluid (DEF) is now available at a growing number of Petro-Pass locations.
- Jugs of DEF are also available for sale during attended hours at all Petro-Pass locations with a convenience store.

PETRO-PASS SITES WITH SHOWERS

- Petro-Canada™ is pleased to offer Petro-Pass customers a free shower with a minimum fuel purchase of 200 litres. This offer applies to single drivers and double team drivers.
- Fuel purchase must have been made within the last 24 hours – anywhere in the Petro-Pass network. *Fuel receipt must be presented to the site operator.*
- At some sites a shower kit and towel rental is available at a nominal cost.
- A fee (plus shower kit/towel rental charge where applicable) will apply to drivers who do not meet the minimum fuel purchase requirements.
- To access washrooms and showers outside of attended hours, enter pump #8 from any card reader

PETRO-PASS™

PETRO-PASS™: YOUR DESTINATION FOR ON-ISLAND DEF ACROSS CANADA

With on-island DEF available coast-to-coast, Petro-Pass is committed to making your life easier on the road.

Advantages of on-island DEF:

With an average truck requirement of 1,800 litres of DEF per year, Petro-Pass' on-island DEF network offers you and your business:

- **Efficiency** – fill up with DEF at the same time as you fuel
- **Flexibility** – purchase DEF at-the-pump or in jugs
- **Reliability** – obtain on-island DEF whenever you need it
- **Convenience** – access our coast-to-coast on-island DEF network

Stay connected with our growing on-island DEF Network:

- Access our on-island DEF site listing at petro-canada.ca/DEF
- Find a on-island DEF location near you at petro-canada.ca/findpetropass

Look for the DEF symbol inside to find Petro-Pass locations offering on-island DEF

**Access our
FREE**

**Available at
over 60 locations!**

Stay connected with family and
friends while on the road.

SuperPass[™] Online Fleet information at the speed of business.

Day in and day out, *SuperPass*[™] puts valuable information at your fingertips. The kind of information that leads to better decisions for the future, and more control over costs that impact your bottom line.

- Real-time tracking • 24-hour online access • PIN-protected security
- Detailed purchase restrictions • Customizable reports
- Canada's largest network of fuelling stations

To sign up for your *SuperPass* Online account or for more information, call our Customer Service team at **1-800-668-0220** or visit **www.spol.ca**

PETRO-CANADA LUBRICANTS & GREASES. LUBRICANT SOLUTIONS THAT DELIVER

At Petro-Canada Lubricants, we believe in being known by the companies we keep up and running. Right now our products are performing for many of the world's leading companies – performing beyond expectations in virtually every industry around the globe.

Petro-Canada Lubricants manufactures premium quality lubricants, specialty fluids and greases that exceed industry standards and outperform even our toughest competitors, including global brands. By going beyond specifications in ways that matter, our lubricants can help your business realize benefits beyond equipment performance, delivering operational efficiencies that reward your bottom line.

LUBRICANTS

Beyond today's standards.™

Protecting Your Business. Driving Your Profitability.

Your trucks travel a long, hard road.

In hot conditions, it's hours of scorching heat and dust. In cold weather, freezing rain, snow and ice. Stop-and-go traffic year round. You need exceptional lubricants, designed to perform in all weather conditions, to keep your vehicles on the road instead of in the shop.

Formulated for the toughest working conditions.

Our lubricants meet or exceed truck manufacturers' specifications and your customers' quality standards. We are the first lubricants company in the world to achieve ISO/TS 16949. We are also ISO 9001 registered, and with our ISO 14001 registration, we share the same growing commitment to the environment as you do. Many of the world's leading auto manufacturers rely on Petro-Canada Lubricants for their equipment's first fill or service fill requirements.

DURON™

THE TOUGHER. THE BETTER.

Save Like Our Customers.

Read how fleets like yours have saved money, and increased their productivity and profits by switching to DURON™. The Tougher. The Better.

Midwest Motor Express

“ Petro-Canada. They've never let us down. The longer oil drain intervals reduce maintenance costs. We're not spending so much time on preventative maintenance now. ”

DURON. The Tougher. The Better.

Driven by the demands of the new API CK-4 and FA-4 categories, DURON™ is our most durable and highest performance product line ever. DURON delivers benefits our customers need, to help reduce their costs and improve their reliability and productivity, no matter how tough their operating conditions. However heavy the loads, however extreme the temperatures, there's a DURON product ready to give vehicles and machinery the best protection, performance and efficiency.

DURON™

The Tougher. The Better.

All Weather Product Line

DURON UHP 10W-40

Ultra High Performance synthetic all-weather heavy duty diesel engine oil. It is formulated to provide exceptional protection against engine wear and extended drain performance (exceeding OEM standard intervals)[†] even in the harshest operating conditions and maximum allowable load conditions. It combines superior pumpability and shear stability with excellent engine wear control. DURON UHP 10W-40 can potentially help improve fuel economy through ease of start-up, lower viscous drag and avoidance of the need for idling.

DURON SHP 15W-40

Super High Performance synthetic blend heavy duty engine oil that delivers exceptional performance. Outstanding shear stability combined with superior wear protection helps deliver comprehensive protection to vital engine parts over a wide range of operating conditions.

DURON HP 15W-40

DURON HP 15W-40 is a high performance heavy duty engine oil that delivers all weather engine protection including dependable cold start up and exceptional shear stability. It can deliver extended drain capabilities (exceeding OEM standard intervals)[†].

Cold Weather Specialty Line

DURON UHP 5W-40, 0W-30 AND 0W-40

Ultra High Performance full synthetic heavy duty engine oils that provide excellent protection and performance, especially in low temperature environments. DURON UHP helps you conserve energy and reduce engine wear through ease of cold weather start-up and lower viscous drag.

Fuel Economy Product Line

DURON UHP 5W-30

DURON UHP 5W-30 is an Ultra High Performance full synthetic low SAPS, heavy duty diesel engine oil specifically designed to exceed API CK-4 requirements. It is a premium heavy duty engine oil formulated to deliver potential fuel economy benefits* with superior engine protection and extended drain performance.

DURON SHP 10W-30

Super High Performance synthetic blend heavy duty engine oil that delivers advanced engine protection and all-weather performance. It provides optimal engine durability and can deliver up to 1%** fuel economy improvements. DURON SHP 10W-30 keeps its fresh oil properties longer allowing for extended drains (versus OEM standard intervals)[†] and reduced need for top-up oil.

DURON ADVANCED 10W-30 and 5W-30

Premium performance synthetic blend and synthetic multigrade diesel engine oils deliver industry leading protection against increased wear and are formulated to exceed the requirements of API FA-4 and is suitable for use in 2017 and future engines which specify the use of an API FA-4 licensed oil. It also provides additional fuel savings over CK-4 of the same grade, up to 1%***. DURON ADVANCED (and all API FA-4 oils) have limited backwards compatibility with older engines as these oils are specifically engineered for newer engines designed to meet new legislation around emissions and fuel economy. The engines will operate at a lower high temperature high shear (HTHS) viscosity, meaning less friction and viscous drag in the engine and enable reduced fuel consumption, while still offering increased levels of wear protection.

* Fuel economy results are based on the generally accepted and industry recognized SAE J1321 Type II fuel consumption test. Comparison of fuel economy is relative to DURON-E 15W-40, and in combination with TRAXON™ Synthetic 75W-90 (relative to a TRAXON 85W-140) gear oil. Actual results are dependent on external factors including, but not limited to: driving terrain, weather conditions, tire pressure and severity of operating condition

** Comparing an SAE 15W-40 with 4.1cP HTHS vs a 10W-30 with 3.5cP HTHS.

*** Comparing an SAE 10W-30 or 5W-30 with 3.5cP HTHS vs a 10W-30 or 5W-30 with 3.1cP HTHS.

† Extending drain intervals should always be undertaken in conjunction with an oil analysis program.

Petro-Canada Lubricants is a HollyFrontier business
™ Owned or used under license.

Petro-Canada Lubricants & Greases.

Turn Your Rig Into A Smooth-Running, Money-Making Machine.

PRECISION™ Greases

A premium line of multi-application greases specially formulated for advanced protection.

Better long-life protection.

PRECISION greases can last up to 3 times longer than other brands (ASTM D-3527), and stay in place even under the most challenging operating conditions.

Better water washout protection.

PRECISION greases provide a high performance that has been demonstrated over leading competitors' premium multi-application products. Their high resistance to water washout means less re-greasing and maintenance.

Better extreme pressure protection.

PRECISION greases are ideally suited for the demands of on-highway, off-road and farm vehicles, running under the toughest conditions.

PRECISION XL EP1, PRECISION XL EP2, and PRECISION Synthetic meet NLGI GC-LB rating for wheel bearing and chassis lubrication and are ideal for applications in a wide range of trucking equipment.

Trusted Protection and Performance

Gear Oils

Petro-Canada's Lubricants' TRAXON™ is your best choice for a premium multigrade line of gear oils. TRAXON gear oils are specially formulated to provide excellent shear stability and longer oil life for exceptional long-lasting protection to help you extend equipment life and reduce downtime and maintenance costs.

TRAXON E Synthetic

A premium line of synthetic lubricants formulated for customers who need to maintain an Eaton/Roadranger "extended warranty."

TRAXON Synthetic 75W-90

A year-round full synthetic gear oil formulated to provide extended drain capabilities and outstanding temperature protection in extreme cold weather conditions.

TRAXON XL Synthetic Blend

These multigrade gear oils deliver excellent low temperature protection, better shear stability and longer oil life for exceptional long-lasting protection.

TRAXON

Formulated to provide exceptional long-lasting wear protection, these multigrade gear oils extend equipment life and reduce downtime and maintenance costs.

Your Ultimate Protection Plan.

Petro-Canada Lubricants is a HollyFrontier business
 ™ Owned or used under license.

Automatic Transmission Fluids

Petro-Canada's Lubricants' ATFs represent a careful balance of properties needed to meet the requirements of automatic transmissions. Petro Canada Lubricants' ATFs excel in oxidation stability, low-temperature fluidity and wear protection to deliver the performance you require and the increased productivity you want.

DuraDrive™ HD Synthetic Blend ATF

Specifically formulated for commercial and heavy duty applications. Suitable for use in heavy duty fleets for up to 80,000 km (50,000 miles) in severe service and 160,000 km (100,000 miles) in normal service. Approved for: Voith (H55.6336.xx DIWA Service Bulletin 013 & 118, formerly G1363) 72,000 mile and ZF TE-ML 14B extended drain applications. Also approved for Allison C4 (legacy), ZF TE-ML 03D, 04D, 16L and 17C. Suitable for use where Allison TES-295, Caterpillar TO-2, MB 236.1/5/6/7, MAN 339 Typ Z2 & V2, Volvo 97341 or Ford MERCON® V specification is recommended. May also be used in automatic transmissions where a fluid meeting the former DEXRON®-III(H), -III(G), -II(E), or -II specification was recommended.

Petro-Canada Lubricants also offers automatic transmission fluids for DEXRON®-VI and ATF+4® applications.

Hydraulic Fluids

Petro-Canada Lubricants' HYDREX™ lasts up to 3 times longer and offers up to 2 times better wear protection than the leading hydraulic oil brands.† With HYDREX, you can expect more wear protection, extreme weather performance, oil life durability, and system efficiencies. HYDREX could also provide up to 5% fuel savings and up to 6% increase in productivity. †† Its long life helps extend drain intervals for reduced change-out costs. Its strong oxidative stability helps minimize harmful sludge build-up that can lead to wear and shortened filter life. By protecting your equipment with HYDREX, you can help reduce maintenance and mechanical failure, and prolong your equipment life.

HYDREX helps keep your operation running smoothly.

DEXRON® is a registered trademark of General Motors Corporation.
 MERCON® is a registered trademark of Ford Motor Company.
 ATF+4® is a registered trademark of Chrysler LLC.

† Measured against leading North American hydraulic oil brands.
 †† HYDREX XV compared against leading North American monograde hydraulic fluids.

OUR NO-NONSENSE LUBRICANTS WARRANTY

Petro-Canada Lubricants will repair damaged equipment, or replace damaged equipment parts resulting from a failure due to defects of the Petro-Canada Lubricants product, as long as the lubricant is used in accordance with your equipment manufacturer's and our recommendations.

It's more than just a warranty.

It's a commitment.

PETRO-PASS™

PETRO-PASS™: YOUR DESTINATION FOR ON-ISLAND DEF ACROSS CANADA

With on-island DEF available coast-to-coast, Petro-Pass is committed to making your life easier on the road.

Advantages of on-island DEF:

With an average truck requirement of 1,800 litres of DEF per year, Petro-Pass' on-island DEF network offers you and your business:

- **Efficiency** – fill up with DEF at the same time as you fuel
- **Flexibility** – purchase DEF at-the-pump or in jugs
- **Reliability** – obtain on-island DEF whenever you need it
- **Convenience** – access our coast-to-coast on-island DEF network

Stay connected with our growing on-island DEF Network:

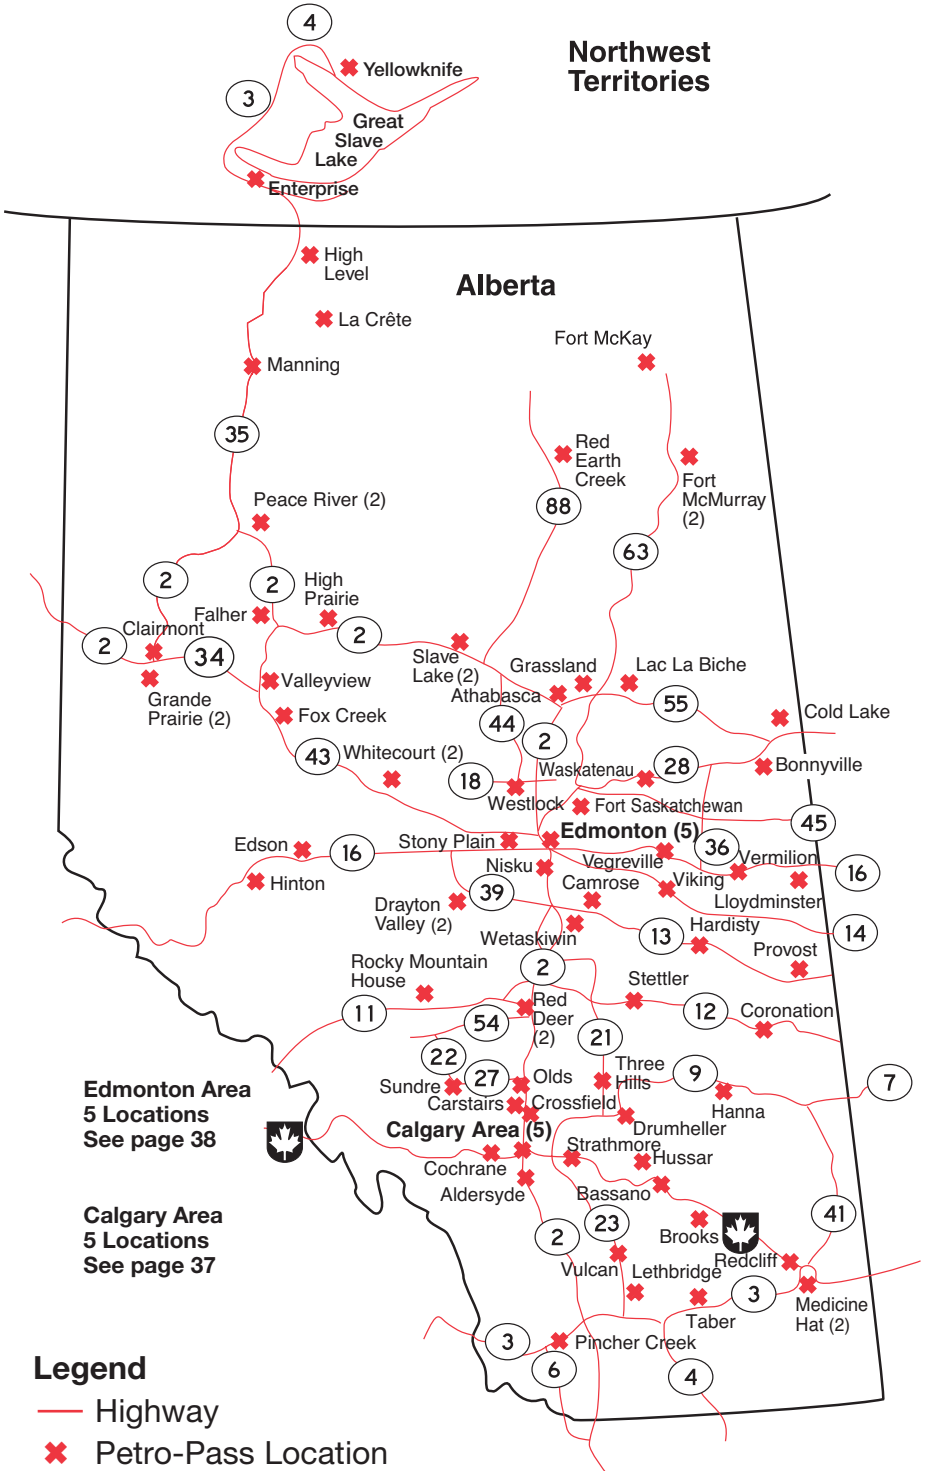

- Access our on-island DEF site listing at petro-canada.ca/DEF
- Find a on-island DEF location near you at petro-canada.ca/findpetropass

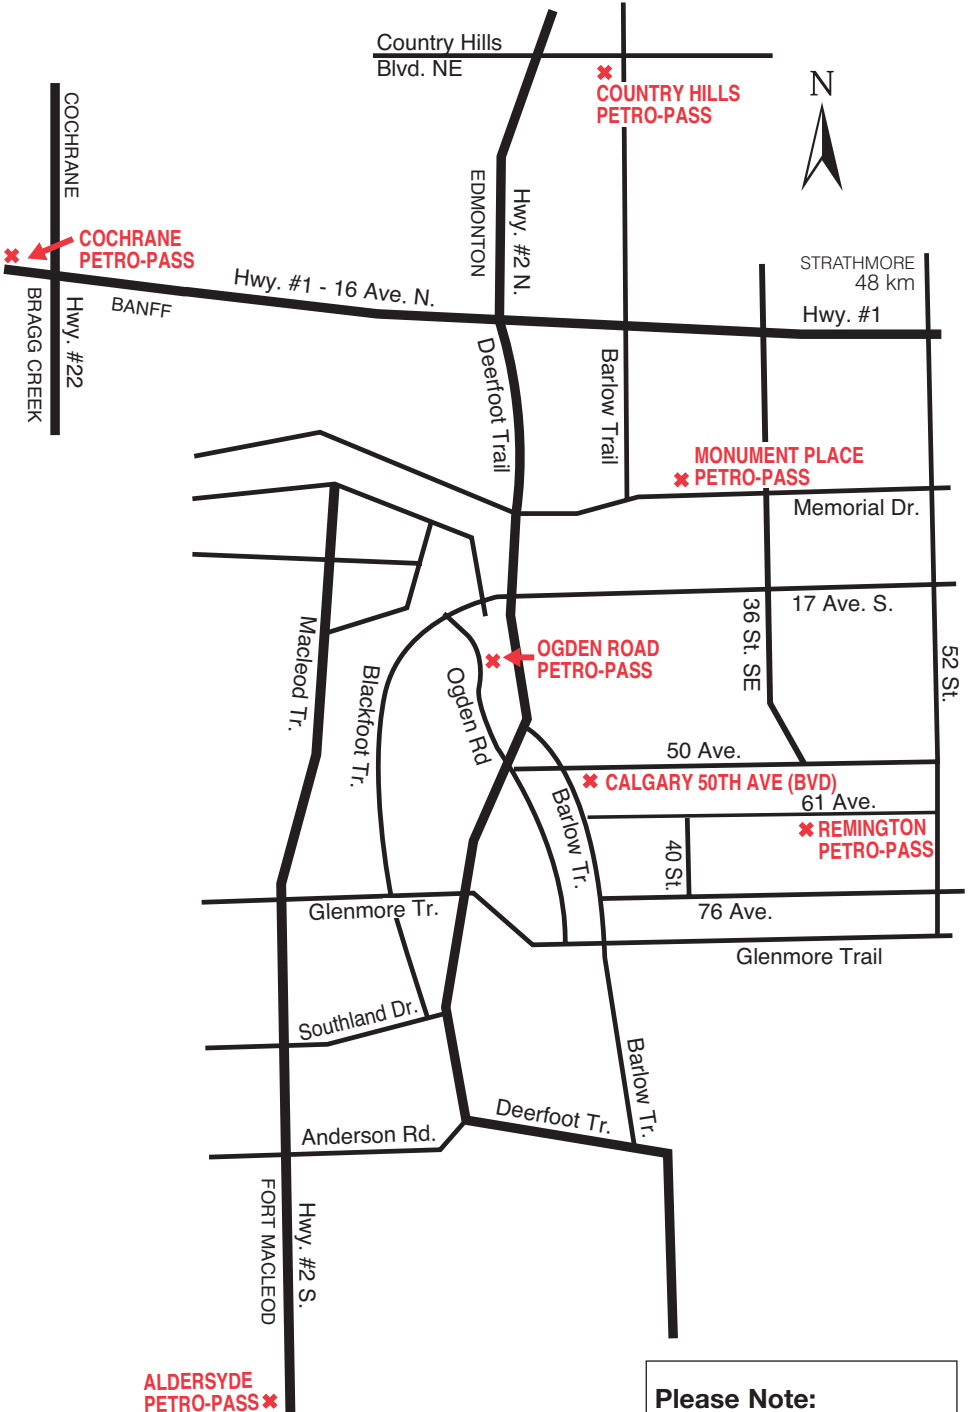

Look for the DEF symbol inside to find Petro-Pass locations offering on-island DEF

PETRO-PASS™

PETRO-PASS™: YOUR DESTINATION FOR ON-ISLAND DEF ACROSS CANADA

With on-island DEF available coast-to-coast, Petro-Pass is committed to making your life easier on the road.

Advantages of on-island DEF:

With an average truck requirement of 1,800 litres of DEF per year, Petro-Pass' on-island DEF network offers you and your business:

- **Efficiency** – fill up with DEF at the same time as you fuel
- **Flexibility** – purchase DEF at-the-pump or in jugs
- **Reliability** – obtain on-island DEF whenever you need it
- **Convenience** – access our coast-to-coast on-island DEF network

Stay connected with our growing on-island DEF Network:

- Access our on-island DEF site listing at petro-canada.ca/DEF
- Find a on-island DEF location near you at petro-canada.ca/findpetropass

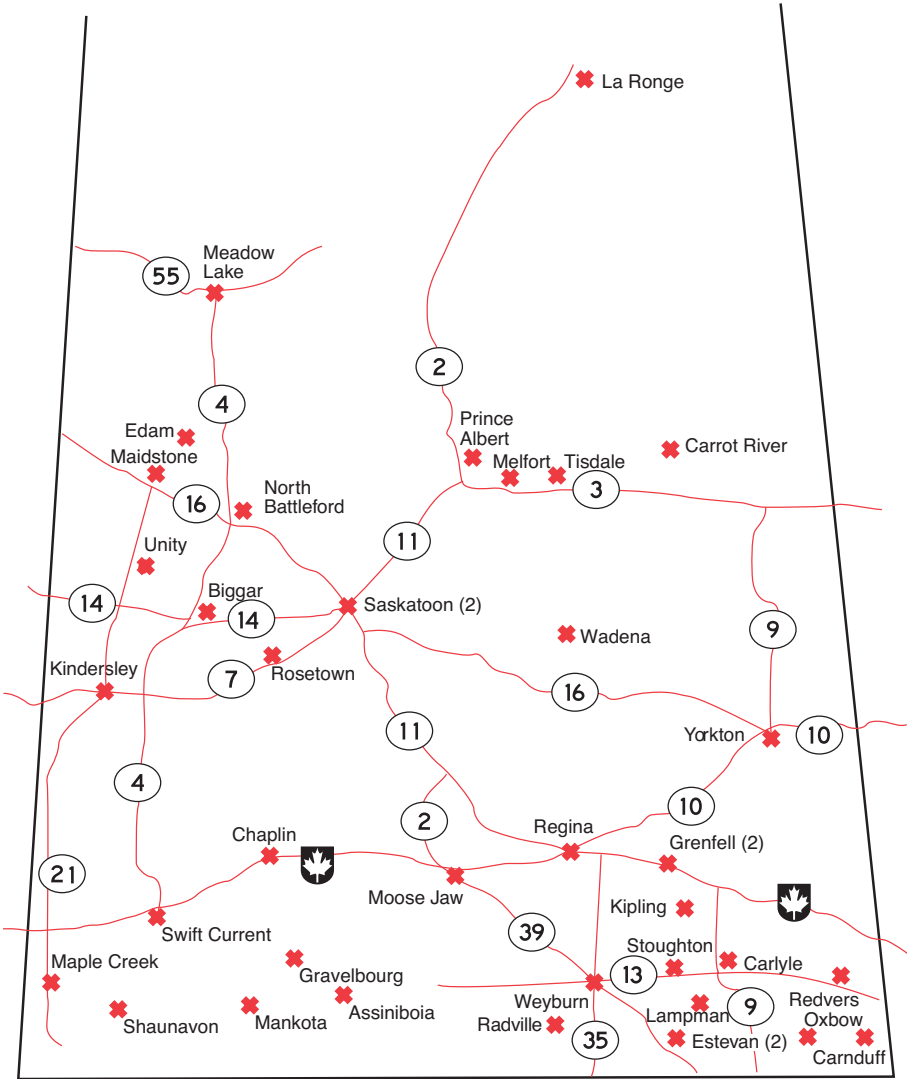

Look for the DEF symbol inside to find
Petro-Pass locations offering on-island DEF

PETRO-PASS™

PETRO-PASS™: YOUR DESTINATION FOR ON-ISLAND DEF ACROSS CANADA

With on-island DEF available coast-to-coast, Petro-Pass is committed to making your life easier on the road.

Advantages of on-island DEF:

With an average truck requirement of 1,800 litres of DEF per year, Petro-Pass' on-island DEF network offers you and your business:

- **Efficiency** – fill up with DEF at the same time as you fuel
- **Flexibility** – purchase DEF at-the-pump or in jugs
- **Reliability** – obtain on-island DEF whenever you need it
- **Convenience** – access our coast-to-coast on-island DEF network

Stay connected with our growing on-island DEF Network:

- Access our on-island DEF site listing at petro-canada.ca/DEF
- Find a on-island DEF location near you at petro-canada.ca/findpetropass

Look for the DEF symbol inside to find
Petro-Pass locations offering on-island DEF

SuperPass™

Cross-border Convenience

One Card, One Contact, One Solution

Your *SuperPass* account gives you a single point of contact – people who understand your Canadian business and can support your U.S. needs.

Take advantage of Canada's largest cardlock network and our extensive U.S. fuelling partner network today!

Contact us today to add U.S. access to your account

NEW!

Help lower your operating costs with bulk DEF

Did you know that in addition to our bundled offer, Petro-Canada™ is now offering bulk delivered DEF?

We provide high quality DEF when and where you need it to help improve operational performance and support the reduction of operating costs.

Our services include:

GREAT SERVICE

We make sure all your fuelling needs are covered, delivered directly on-site with best-in-class service.

TANK OFFERING

If you need suggestions on upgrading your current on-site tank or getting set up with a new tank, we're happy to assist you.

PROVEN PERFORMANCE, QUALITY AND RELIABILITY

Petro-Canada DEF is API-certified and meets the required ISO-22241 for product purity. We utilize a closed-loop delivery system that eliminates contamination risks.
